

TAIMI TEKO

4#

Konkreettinen teko
ilmastomuutoksen hillitsemiseksi.

A photograph of two young people, likely students, engaged in a tree-planting activity. They are wearing high-visibility yellow safety vests, black caps, and red gloves. The person on the left is holding a small evergreen sapling, while the person on the right is using a red bucket and a shovel to work the soil around a newly planted tree. The background shows a clear blue sky with scattered white clouds and some green foliage. A semi-transparent green banner is overlaid at the bottom of the image, containing white text.

"Tärkein taimiteosta saamani oppi on, että taimen istutus on hyvä teko ja taimista kasvaa suuria hiilinielujuja."

A photograph showing three people in a field of young trees and white flowers. The person in the foreground is wearing a red shirt and a yellow safety vest. The other two people are further back, one in a grey shirt and one in a white shirt. The field is filled with small, young trees and white flowers. In the background, there is a dense forest of tall evergreen trees under a clear blue sky.

Puolet nuorista kiinnostunut tekemään istuttamisen jälkeen jatkohoitoitöitä.
